FIX THE RESPONSIBILITY.

The gloomy prospect at Washington is chase Repeal bill unconditionally in the Senate will be a failure. The majority profess to be in tavor of unconditional repeal. A small minority only is against repeal. But it is confidently predicted that the majority will be defeated by the minority, and that unconditional repeal will be beaten.

failure is positively established and the causes made manifest becomes all the more imperative in consequence of this teenth streets, Hoboken, had been picked

The House of Representatives is gaining a good reputation for direct. effective and honest work. The Bilver Purchasing Repeal bill was passed by the House after a fair opportunity had been afforded its opponents for debate, without undue haste, but with unusual promptness considering the importance of the measure and the determined character of the opposition.

Yesterday the House redeemed another of the pledges to which it owes its large Democratic majority by passits large majority passits large majority by passits large majority passits large maj

other of the pledges to which it owes its large Democratic majority by pass-ing the bill repealing the Dayenport Federal Election laws. The majority in favor of repeal was 99 in a vote of 301.

These laws were designed to erect a Republican protectorate around the ball lot box and to form the entering wedge for military terrorism at the polls. They have fostered corruption in elections in stead of checking fraudulent voting, and have been everywhere partisan in their enforcement. They have also been made the means of a petty larceny plunder of the Government through the fees of supervisors and marsh. See the means of a petty larceny plunder of the Government through the fees of supervisors and marsh. See the provisors are marked with subspected from Lally was covered with erup towns. Lally suspected from L

the Government through the fees of supervisors and marsh...

The Election Repeal bill goes to the Senate, where it will be handled by Senator Hill, one of its most determined advocates. It will not be allowed to interfere with the Silver Purchase Repeal bill, which is the most pressing and for the moment the most important measure. But it will be pushed through the Senate at the proper time. With both bills the at the proper time. With both bills the public will must prevail in the end.

ELEVATED TACTICS.

Judge Dugro yesterday found it neces-Davenportism can scarcely rise again sary to rebuke the Manhattan Elevated after that 200-to-191 blow in the House Railroad corporation for its efforts to prolong and delay litigation and its refusal to consider propositions for the speedy disposal of suits for damages now cases, said this morning that 1,000 children of encumbering the courts.

Some Brante Hints.

A cloth wet in cold tea and laid across the eyes will allay inflammation. A bit of orris root kept in the mouth for a little while will keep the breath as sweet as a baby's, unless the disagreeable odor is caused by catarrh. One of the best cures for red cyclids

is to bathe them in water in which is

distilled a little powdered borax. This simple lotion is almost miraculous in

its effects. Every woman should keep a box of charcoal tablets in her room and take a tablet once a day whenever the complexion begins to get a little dingy.

the place of such formality.

Wedding Invitations. A Subscriber.-Wedding invitations require no acknowledgment. An early call

return from their wedding trip takes

Astonishing Bargains. All-wool serges are selling at 12 1-3 ents a yard. The goods on bargain counters are astonishingly cheap. Dress patterns of strong serviceable stuffs range anywhere from \$3 to \$7. Fine French serges, busket cloths and sackings in two tones that were marked \$1.50 four weeks ago are selling now for \$1 a yard. Embroidered French flannels are only 90 cents a yard, and there is nothing better for dressing sacques. Wrapper finnels in polka-dots, tennis stripes and challie designs are 35 cents a yard.

and most tempting.

Tiny Checks. Small checks are prevailing patterna. with large choice in color or combine tions of color. Not a few are quite gay, and others are overcast by dottings in bourette style that in contrast to grave surfaces show in pretdottings are set regularly, and are comparatively large in size. Checks in wools of more conservative weaves are fashionable, many showing rich,

unitings in color that are well adapted to Fall and Winter.

Gor. Flower's Wife. Mrs. Roswell P. Flower's charities cost her an average of \$250 a week. The Keep Institute, corner of Third avenue and Twenty-third street; the Flower Hospital, corner of Avenue A and Sixty-third street; the Boys' Club in the St. Thomas Mission Church, East Fiftyin Watertown, N. Y., are in constant receipt of her patronage and visits. Al though her name appears on the list of patronesses for all sorts of objects, she never attends. Mrs. Flower is an shy as a schoolgirl.
